Postal Address:	P.O Box 2803N- 40100 Kisumu, KENYA
Brief Bio	<p>I am a Public Health expert with vast experience in Health Systems Policy formulation, Planning, Research and Programming both at national and regional level. I have unrivalled experience in integrated multi-sectoral Program Management and Coordination, Public Health professionals training, community health and development, HIV&AIDS management, Family Planning, Reproductive Health, Maternal New-born and Child Health (FP/RH/MNCH) and Resource Mobilization initiatives. I am a Public Health researcher with a wealth of experience in coordinating and conducting HIV and AIDS research in different settings. I have worked in Public Health management, research, programming and consultancy capacities for several national, regional and global organizations including: UNICEF, UNHCR, UNFPA, World Vision, DSW, Kenya Red Cross, CARE Ethiopia and AMREF among others. I am computer literate with excellent competencies in several computer applications including Excel, Publisher, Spreadsheets, SPSS, EPI Info and PowerPoint. I am also an academican having worked in management and teaching capacities in recognized universities and published widely in peer-reviewed journals. Broadly, in my career I aspire to strengthen Health Systems Management.</p>
